

OTAY WATER DISTRICT
INVITATION TO CONTRACTORS
November 2024

CALIFORNIA UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING ACT (CUPCCAA)

The Otay Water District adopted CUPCCAA which allows the District to informally bid smaller construction and maintenance projects. The District has partnered with PlanetBids to post, distribute, and receive responses to District bid solicitations. If you are already registered with PlanetBids, please login to PlanetBids to verify that your Otay Water District vendor information is up to date including DIR registration, contractor license(s), email, and bid categories, etc. In addition, under the "Classifications" section, please select "CUPCC – CUPCCAA Informal Bidding List."

If you are not registered with PlanetBids and would like to have your company added to the list to receive notices for informally bid projects, please register at District's PlanetBids website at <https://vendors.planetbids.com/portal/63777/vp/vp-prereg> and under the "Classifications" section, select "CUPCC – CUPCCAA Informal Bidding List." There is no cost to register.
